DETAILED ACTION

The Preliminary Amendment

Receipt is acknowledged of the preliminary amendment filed on May 17, 2006. The amendment has been placed of record in the file.

The Information Disclosure Statement

The prior art cited in the information disclosure statement filed on May 17, 2006 has been considered.

Allowable Subject Matter

Claims 1-8, 10-13, 19, 20, 24, 25 and 27-30 are allowed over the prior art of record.

Examiner's Statement of Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

As to independent claim 1, the prior art of record, taken alone or in combination, fails to disclose or render obvious an apparatus comprising a memory storing **an illuminant characterization matrix having spectral characteristics of the N illuminant sources in the M wavelength channels** and a processor in communication with the sensor unit and the memory, the processor configured to provide spectral responses of the sample in the M wavelength channels based at least in part on the illuminant characterization matrix, in combination with the rest of the limitations of the claim.

As to independent claim 27, the prior art of record, taken alone or in combination, fails to disclose or render obvious a method comprising the steps of storing in a memory **an illuminant characterization matrix having spectral characteristics of the N illuminant sources in the M wavelength channels** and providing a processor in communication with the sensor unit and the memory, the processor configured to provide spectral responses of the sample in the M wavelength channels, based at least in part on the illuminant characterization matrix, in combination with the rest of the limitations of the claim.
